10/17/2023 Ambleside year 9. week 1.
Pickles. Hearing GOD. Pages 1 thru 27.
This week I am writing a narration about the book Hearing GOD, by Peter Lord.
The most unique thing about the book Hearing GOD is that every few sentences there is a bible verse to back up everything the authour says.
So far it has been written well and is appropriate for kids.
This book does an eccelant job facilitating two-way communication between you and God using scripture.
And I would say it does that quite well.
